NAVSUP INSTRUCTION 7300.28A CHANGE TRANSMITTAL 1

Subj: PROCUREMENT AND BILLING OF AVIATION FUELS AND LUBRICANTS USING THE DOD IDENTAPLATE (DD FORM 1896)

Ref: (a) COMNAVSUPSYSCOM WASHINGTON DC//014// 090201Z JAN 91 (NOTAL)

Encl: (1) Revised pages of basic instruction

1. Purpose. To issue Change 1 to the basic instruction that revises enclosure (5).

2. Background. Reference (a) provided notification that the accounting responsibility for fuel transfers formerly maintained by Navy Ships Parts Control Center was transferred to Naval Supply Center, Charleston, SC. This transfer of function necessitates revision to Canadian identaplate information contained in enclosure (5) of the basic instruction.

3. Action. Remove enclosure (5) from the basic instruction and insert the revised enclosure forwarded as enclosure (1) to this change.

J. E. [illegible]
Vice Commander

CANADIAN FORCES USE OF IDENTAPLATES

Canadian Forces (CF) are authorized, under the United States Navy (USN)/CF Fuel Exchange Agreement, to obtain fuel from U.S. facilities by presenting an appropriately embossed DD Form 1896. The only acceptable identaplate billing information for CF fuel purchased at USN/(United States Marine Corps (USMC)) bases will be in the format described below. If the CF identaplate is not available, the billing information should be handscribed on the DD Form 1896.

a.	Agency:	RCF
b.	Supplementary Address	N00612
c.	Signal Code:	B
d.	Fund Code:	17
e.	UIC of Requisitioner (6 digits):	Obtained from pilot
f.	Other information (aircraft type, bureau number, etc.) will be obtained from the pilot.
